

Measurements Chart for Shirt

Please enter your measurements in INCHES

Chest

Place the measuring tape around your chest should be directly below your armpits.

Waist

Place the measuring tape around your waist above your belly button.

Hips

Place the measuring tape around your Hip.

Shoulder Width

Place the measuring tape and point on your shoulder where it starts slope downwards. Measure horizontally across until the same point on the other shoulder. This is the point where the sleeve seam of a shirt would be.

Sleeves

Put the measuring tape at the point on your shoulder where it starts to slope downwards (same point as for shoulder width). Measure along the arm to where you want the sleeve to end (close to the wrist bone).

Length

Place the measuring tape at the top of your shoulder at the point where your shoulder meets your neck. Measure from this point down over your chest to where you would like the jacket to end.

Neck

Place the measuring tape around your neck. Please put one finger between your neck and the tape.
